East Ham's War Memorial.

The names of over 2,000 local men who gave their lives in the Great War, are publicly recorded on bronze panels in the Entrance Hall of this Hospital.

Is it possible to conceive a more fitting manner in which to perpetuate their memory?

If you lost a near, or dear one, why not commemorate the occasion by sending an Annual Subscription?

“In Remembrance.”

Her Royal Highness The DUCHESS OF YORK.

The Patron of the Hospital.

THIRTIETH ANNUAL REPORT OF THE GENERAL COMMITTEE FOR THE YEAR 1931.

The General Committee begs to submit to the Governors, Donors, and Subscribers, its Report for the year ended 31st December, 1931.

Royal
Patronage

Her Royal Highness the Duchess of York, graciously accepted the invitation of the Committee to become Patron of the Hospital. The Committee is greatly indebted to Her Royal Highness for so associating her name with the Hospital.

Lord Mayor

The Right Honourable the Lord Mayor of London, Sir William Phene Neal, J.P., accompanied by the Lady Mayor-ess, and the Sheriffs of the City of London, Alderman P. W. Greenaway, and G. H. Wilkinson Junior, Esq., visited the Hospital on the 15th October. His Lordship made a complete tour of the Institution, and on his departure expressed delight at the building and its equipment, and also at the atmosphere of content which prevailed amongst the patients and the staff.

Obituary

It is with deep regret that the Committee has to report the death of Mr. C. Northfield, J.P., Mrs. I. C. Sutton, Mrs. B. Homewood, Mr. L. Levy, and Miss Gladys Spencer.

Mr. Northfield was a member of the Committee from 1927, up to the time of his death; he was also a Foundation Governor, a Life Governor, and a member of the Sub-Committee responsible for the furnishing of the new Hospital.

To the relatives of these Ladies and Gentlemen, the Committee extends deep sympathy.

Committee

The Committee wishes to place on record its sincere appreciation of the services rendered to the Hospital by Mr. H. H. Lassman, and Mr. L. Cook, while members of the Governing body. Their resignations, owing to business reasons, were much regretted. The vacancies on the Committee caused by the death of Mr. Northfield, and the resignation of Mr. Cook, have been filled by the election of Mr. J. W. Lohden, and the ex-Mayor, Cr. W. T. Newling, J.P.

The following gentlemen have also been co-opted as members of the General Committee :—

Dr. Maurice E. Shaw.	} representatives of the Honorary Medical Staff.
Mr. S. I. Levy, F.R.C.S.	
Mr. O. T. Dinnick, F.R.C.S.	
His Worship the Mayor,	} representatives of the Borough Council.
Ald. C. W. Brading, J.P.	
Chairman of the Public Assistance Committee,	
The Deputy Mayor, Cr. T. W. Burden.	
Chairman of the Public Health Committee,	
Ald. G. H. Manser.	

The Hospital has just completed 30 years of work on Progress behalf of the sick of East Ham, and the Committee wishes to report an ever growing demand for its services.

On many occasions during the year under review, every available bed has been occupied, and the Medical Staff has very reluctantly had to refer to other institutions, patients requiring immediate treatment. It has also been found necessary to create a Waiting List for the less urgent cases. It is interesting to compare the work of the past year with the work of the year preceding the opening of the new Hospital :—

	1931	1928
Number of Patients admitted	1,710	286
Average daily number of Beds occupied ...	91.5	21.1
Number of New Out-Patients	8,169	2,522
Number of Out-Patient Attendances	38,271	16,447
Total number of Operations performed ...	1,644	39
Number of X-Ray Cases	2,717	247
Number of Massage and Electrical Cases ...	8,321	—

This very substantial increase in three years is conclusive proof that a general hospital was urgently needed in the Borough. It is also conclusive proof that the Hospital has reached a high state of efficiency, and that this fact is realised by the public. The Committee in its last Annual Report referred to the first two years of a general hospital's developing functions as being a critical period, and expressed optimism with regard to the future. The Committee now feels that this optimistic view was fully justified, that the Hospital has gained a high reputation, and that it has developed into a highly efficient institution.

That the services of the Hospital are appreciated is Appreciation evident from the numerous letters received from patients, referring in the highest terms to the skill, attention, and kindness of the Medical and Nursing Staffs.

The Committee wishes to thank these patients for their expression of appreciation.

Borough
Council

It is with the greatest pleasure that the Committee refers to the cordial relationship that exists to-day between the Council and the Hospital. During the year negotiations were completed which make provision for an Annual Grant of £3,000 to the Hospital on account of services to patients for whom the Council is responsible. The close co-operation which exists between these two bodies means much to the future of the Public Health Services of the Borough; and the General Committee begs to express its sincere appreciation of the great help that has been rendered by His Worship the Mayor, the members of the Council, and also the Medical Officer of Health.

Garden Party

The President, the Right Honourable Lord Bethell and Lady Bethell, very kindly entertained members of the Hospital Auxiliary Organisations at a Garden Party in the Hospital grounds, on the 25th July. Over 300 voluntary workers were present, and even the very heavy showers that were experienced during the afternoon, failed to damp the enthusiasm of these ardent workers. The Committee takes this opportunity of conveying to His Lordship and Lady Bethell, its deep gratitude for their great help, so readily given at all times.

Work of the
Year

The work accomplished during the year has once again exceeded all previous records, and shows a considerable increase as compared with the previous year:—

	1931	1930
Number of Patients admitted	1,710	1,484
Average daily number of Beds occupied ...	91.5	82.5
Number of Major Operations performed ...	1,000	837
Number of New Out-Patients	8,169	6,140
Number of Out-Patient Attendances	38,271	23,259
Number of X-Ray Cases	2,717	2,060
Number of Massage and Electrical Cases ...	8,321	1,504

Of the 100 beds in the Hospital, a daily average of .1 was closed, owing to infection in the Children's Ward, leaving a daily average of 99.9 available for patients, of which a daily average of 91.5 was occupied. This is a very high average, and on several occasions as many as 101 patients were resident—the emergency bed which is kept for urgent cases being brought into use.

The great increase in the work of the Out-Patient Department, has fully justified the improvements carried out in that department during the year, and the Committee now feels that the minimum of waiting, and the maximum of comfort is experienced by all patients.

The General Fund Income during the year reached the record figure of £17,142 6s. 1d., an increase of £2,860 18s. 6d. as compared with the year 1930, and only £113 12s. 10d. short of the expenditure for that year.

The following figures give the sources of Income for the past two years :—

	1931			1930		
	£	s.	d.	£	s.	d.
Annual Subscriptions	1,233	3	0	1,015	1	11
Donations	3,321	13	0	5,739	13	5
Collection Boxes	309	9	3	304	19	10
Gifts in Kind	540	1	1	659	18	4
Central Funds	2,013	0	0	1,731	5	0
Patients and their Societies ...	9,368	16	3	4,686	18	7
Interest, and Dividends	38	3	6	43	10	6
Legacies	318	0	0	100	0	0
	<hr/> £17,142 6 1			<hr/> £14,281 7 7		

The increase under the headings of Annual Subscriptions, and Patients and their Societies, is very gratifying, as both these sources can be regarded as of a permanent nature. The Income from Donations however, which must be regarded as of a less permanent nature, shows a considerable decrease as compared with the previous year. This is a reflection of the world-wide depression in trade, and of the drastic economies that everyone has had to exercise. The Committee, however, feels confident that Income from this source will again increase as conditions improve throughout the country. Bearing in mind the difficult times through which everyone has passed, the Committee renders sincere thanks and gratitude to all those who have given so generously to this Fund, with particular mention of the following liberal gifts :—

King Edward's Hospital Fund	1,813	0	0
East Ham Memorial Hospital Welfare Society ...	1,100	0	0
Exors. of the late Robert Boyle, Esq.	300	0	0
Alexandra Day Committee	260	0	0

T. R. Clemens, Esq.	50	0	0
East Ham Technical College Hospital Fund ...	50	0	0
Suburban Developments (London) Ltd.	50	0	0

The Income on the Buildings and Equipment Fund amounted to £365 18s., and the Committee expresses deep gratitude to King Edward's Hospital Fund for a special Grant of £350, and to the several other Donors who have so kindly contributed.

Expenditure

It will be seen from the following comparative figures that the General Fund expenditure shows an increase of £1,559 15s. 7d. on the previous year :—

	1931			1930		
	£	s.	d.	£	s.	d.
Provisions	3,685	3	11	3,312	10	1
Surgery and Dispensary	2,975	7	4	2,462	13	5
Domestic	2,994	14	11	2,755	2	1
Salaries and Wages	6,246	17	11	6,135	18	9
Miscellaneous	580	14	9	543	14	0
Administration	770	17	4	821	4	1
Establishment	275	2	1	195	3	2
Finance	1,286	16	3	1,029	13	4
	£18,815 14 6			£17,255 18 11		

Remembering the substantial development of the work during the year, the Committee is confident that careful economy in every detail has been exercised. Expenditure on the Buildings and Equipment Fund amounted to £2,959 15s. 8d., and represents £2,638 17s. 6d. on account of the New Nurses' Home, and £320 18s. 2d. on account of the Out-Patient Department.

Deficit

The deficit at the 31st December, 1931, was as follows :—

	£	s.	d.
General Fund	5,379	8	1
New Hospital	9,770	17	11
Out-Patient Department	2,119	17	4
Nurses' Home	2,657	15	7

making a total deficit of £19,927 18s. 11d.

The Committee is again able to report a considerable reduction in the cost of working :—

Working
Costs

IN-PATIENTS:	1931	1930
	£ s. d.	£ s. d.
Statistical cost per week	3 2 11	3 7 9
Total cost per week	3 7 11	3 12 7
Statistical cost per each patient	8 15 4	9 18 8
Total cost per each patient	9 9 3	10 12 10

OUT-PATIENTS:	1931	1930
	Pence	Pence
Statistical cost per attendance	14.02	14.95
Total cost per attendance	16.33	16.87
Statistical cost per patient	65.69	56.64
Total cost per patient	76.53	63.91

This is an all-round reduction with the exception of the cost per out-patient which has increased by 12.62 pence.

Having regard to the greater efficiency of this department, the Committee is satisfied that this increase was fully justified. Nevertheless, the figures for both In-patients and Out-patients are below the average for hospitals in Group 4 of King Edward's Hospital Fund's Statistical Review for the year 1930. This must be considered as most satisfactory, and indicates efficiency coupled with economy.

“Pinewood House,” a freehold property immediately adjoining the Out-Patient Department was put on the market towards the end of the year. The Committee in accordance with its policy of development, and bearing in mind that additional accommodation for the Nursing Staff was urgently needed—the temporary premises in Green Street with sleeping accommodation for 13 Nurses had many disadvantages—purchased the property for the sum of £2,300. The New Home increases the Hospital frontage to nearly 400 feet, and contains the following accommodation :—Sleeping quarters for 15 Nurses, 2 Bathrooms, Sisters' Sitting Room, Nurses' Sitting Room, and 2 Class Rooms, besides valuable storage room in the basement.

Nurses'
Home

The Home was occupied on the 26th December, and the total cost, including alterations and decorations, and also furniture, which was removed from the Green Street premises, was £2,832 15s. 7d. The acquisition of this property met with the approval of King Edward's Hospital Fund, which generously granted £175 towards its cost.

The work of improving the accommodation and equipment of the Out-Patient Department has steadily proceeded,

Out-Patient
Department

and with the exception of equipping the Dental Department, improving the Lavatory accommodation, and other minor details, the scheme is now complete. King Edward's Hospital Fund also approved of this scheme, and made a Grant of £175 towards the cost.

Pay Beds

For some time the Committee has been faced with the difficulty of providing accommodation for patients who, although unsuitable for treatment in a general ward, were unable to afford the cost of a private room. In an endeavour to meet the requirements of this class of patient, two curtained cubicles were established in each of the 4 Adult wards. The charge for these cubicles is £5 5s. per week, inclusive of all extras and Medical or Surgical Fees. The Committee, in conjunction with the Honorary Medical Staff, has also arranged for patients to be seen in private consultation at the Hospital at a minimum fee of £1 1s. Both these schemes have proved most successful.

Library

A library for patients was founded at the Hospital during the year, the Borough Council kindly granting the loan of 200 books for this purpose. These books will be changed periodically, and in addition, any book specially asked for by a patient will be supplied if possible. The Committee expresses sincere appreciation of this valuable co-operation on the part of the Local Authority, and warm thanks to the Librarian, Mr. O. W. Stone, for his assistance in inaugurating the scheme, and to Mrs. R. W. Moger for so kindly undertaking the duties of Honorary Librarian.

Pound Week

The Annual Pound Week, so ably organised by the Mayoress, Mrs. W. T. Newling, took place from May 11th to 18th. As a result of this appeal 10,988 lbs. of household goods valued at £174 3s. 11d. were received, in addition to Donations amounting £9 10s. 11d. The Committee is most grateful to Mrs. Newling for this splendid effort, and for the many other services she has rendered the Hospital during the year.

Linen League

The Linen League and its Manor Park Branch, has again proved that it is quite capable of dealing with the ever increasing calls made by the Hospital. The value of the Linen supplied during the year was £365 17s. 2d., which together with £45 10s., the value of the Carpet for the Board-room, brings the total value of goods supplied since the foundation of the League to £3,399. The Committee is most grateful to all these ladies for their untiring efforts.

As in previous years the Welfare Society has continued its gallant efforts on behalf of the Hospital. The year's work resulted in the sum of £1,100 being handed to the Hospital, bringing the total contributions since 1926 to £5,000. In tendering gratitude to the Organisers and Collectors for their invaluable help, the Committee appeals to its many friends to make every endeavour to secure the services of additional collectors, and so enable the Society to carry on its great work.

Welfare
Society

The enthusiasm which exists in the Ladies' Aid Committee has once more been rewarded with success, and has resulted in the raising of nearly £1,000 during the year. To all these ladies and their friends, the Committee offers its warm appreciation and sincere thanks.

Ladies' Aid
Committee

The Committee is most appreciative of the continued efforts of the Old Patients' Association on behalf of the Hospital, and wishes it every success in the future.

Old Patients'
Association

Since its inception in 1898, 34 years ago, the East Ham Schools' Hospital and Nursing Fund has regularly contributed to the funds of the Hospital, and the sum of £200 received during the year brings the total contributions to the magnificent amount of £6,795. To the ladies, gentlemen and children who have done, and are doing such yeoman service for the Hospital, the Committee expresses sincere gratitude.

Schools'
Hospital and
Nursing
Fund

The East Ham Memorial Hospital Football Cup Competition continues its splendid work on behalf of the Institution. The Donation of £26 5s. received during the year makes the contributions from the Competition, since its foundation in 1903, total £698. The Committee is most appreciative of the keenness shown by all the Officers of this Competition.

Football Cup
Competition

The Committee extends grateful thanks to the numerous ladies and gentlemen who have so kindly presented Christmas and other gifts to the Hospital during the year. Their thoughtfulness is very much appreciated.

Gifts

The Committee also wishes to thank all General Practitioners for their splendid spirit of co-operation throughout the year, and trusts that in the future even greater use will be made of the services available at the Hospital.

General
Practitioners

Medical Staff It is with much regret that the Committee has to report the resignations of Mr. J. H. Doggart, F.R.C.S., Honorary Ophthalmic Surgeon, on his appointment to the Royal London Ophthalmic Hospital, and Mr. Aubrey Ball, L.D.S., R.C.S., Honorary Dental Surgeon, owing to pressure of work. The Committee thanks these gentlemen most sincerely for the valuable services they have rendered to the Hospital, and wishes them every success. The following new and additional appointments have been made :—

Mr. B. W. Rycroft, F.R.C.S., Honorary Ophthalmic Surgeon.
 Mr. D. Timpson, L.D.S., R.C.S., Honorary Dental Surgeon.
 Dr. L. Forman, Honorary Dermatologist.
 Mr. H. J. Burrows, F.R.C.S., Honorary Orthopaedic Surgeon.

The Committee realises that the great progress made during the year is in no small measure due to the loyal and unselfish efforts of the Honorary Medical Staff, and expresses deep gratitude and sincere thanks to these gentlemen.

To the Resident Medical Officer, Mr. I. Preiskel, F.R.C.S., and his colleagues, the Committee tenders its thanks for the conscientious and thorough manner in which they have carried out their duties.

Nursing Staff The Matron and the Nursing Staff in carrying out their duties have shown skill, sympathy, and kindness, and they have won the gratitude of the many patients who have received treatment during the year. The Committee expresses sincere appreciation of their noble services.

The Committee is pleased to report that the six Probationers who entered for the Preliminary State Examination during the year, have all been successful.

Administrative Staff The Secretary and the Administrative Staff have carried out their duties with efficiency and enthusiasm, and the Committee expresses appreciation of their efforts.

Domestic Staff The work of the Domestic Staff during the year, both Male and Female, is also deserving of commendation, and it is with regret that the Committee reports the death, in the Hospital, of Mr. A. Warnes, who served the Hospital so faithfully as gardener.

Honorary Chaplains The resignation of the Rev. H. G. Pellatt, as Free Church Chaplain, was accepted with very much regret. The Rev. N. F. Chubb, B.A., was appointed as his successor, and the Committee sincerely thanks these gentlemen and also

the Rev. C. E. Butterfield, for the services they have rendered the patients during the year.

The Committee also places on record its warm appreciation of the valuable services rendered by Mr. John Davis, Honorary Solicitor; Mr. H. W. Buckingham, F.A.A., and Mr. F. G. Priestley, A.C.A., Honorary Auditors; Mr. Walter Payne, O.B.E.; Mr. C. E. Varney; The British Red Cross Society, Blood Transfusion Service; The Editors of the Local Newspapers; The Managers of the Local Cinemas, and the innumerable friends whose names have not been mentioned in the Report.

In reviewing the past year the Committee has endeavoured to illustrate the great service that is being rendered to the sick. It has also endeavoured to illustrate the great work that is being done to make this service possible. This noble and unselfish service will cost approximately £18,000 each year, and in appealing to every man, woman, and child of East Ham for their support, however small it may be, the Committee feels it can do no better than quote His Royal Highness the Prince of Wales speaking at Colchester on the 22nd October :

“In these difficult days everyone has got to make drastic economies, but I hope that, unless absolutely essential, no one will discontinue an annual subscription to a hospital or charitable institution. Leave this cut till the very last.”

On behalf of the General Committee,

NOBLE A. PAPWORTH, Chairman.

REGINALD PERRY, Secretary.

Report and Statement of Accounts for the year ending 31st December, 1931.

Although the Executive Committee have the satisfaction of being able to call attention in this, the Sixth Annual Report, to the fact that the payments by the Society to the Hospital during the year brought up to £5,000 the total of the money the Hospital has received as a result of the House to House collections made by the Society, they are under the regrettable necessity of reporting that the amount of the collections in the year compares unfavourably with the amount collected in the preceding year.

The year's collections amounted to £948 0s. 3d., and at the end of the year the total amount collected by the Society was £5,439 0s. 2d., made up as follows :---

1927	606	12	10
1928	1,184	0	8
1929	1,442	6	10
1930	1,257	19	7
1931	948	0	3

Total £5,439 0 2

Column (b) of the following statement shows the contributions of each of the ten Wards of the Borough to that total and the Ward totals in the year 1931 are shown in column (a) :—

It is considered to be a matter upon which the Ward Organiser, the collectors and the contributors in Greatfield Ward are to be congratulated that the total of the collections in that Ward have exceeded £1,000, and it will afford satisfaction to those who are responsible for the amounts collected in South Ward and in Little Ilford Ward that the positions of their Wards in the statement are higher than at the end of 1930, as in the statement for that year the position of South Ward was No. 8 and that of Little Ilford No. 10, but it is a lamentable fact that in all the Wards the total for the year was less than in 1930, and in some Wards the falling off was very large. Whilst that can no doubt be attributed to some extent to the unfortunate circumstance that a considerable number of the people of East Ham were in the position of having fewer pennies to spare, the Committee believe that the Society failed to reach a large number of residents who would have been ready to contribute to the collections, and that had it been possible so to organise the collections in each Ward that a weekly visit was made to every house where "the weekly penny" could have been obtained, there would have been no such falling off but, on the other hand, considerable increases in all the Ward totals. Unfortunately the membership of the Society has not increased to an extent anything like sufficient to permit of every would-be contributor being reached, and the Committee would emphasise that if the Society is to be of as much assistance to the Hospital in the future as it has been in the past, it is essential that there should be a considerable

increase of members who are willing to act as collectors. The Hospital's need of assistance is no less, and the Committee believe that there are many East Ham residents who would wish to help and who would find that the Society affords a way in which they could do so. The Committee desire to make it clear that no collector is required to give more than an hour or two regularly every week to making the collections, and they appeal particularly to residents who do not receive a call from a collector to consider whether they can accept responsibility for taking the weekly collection in the road in which they live or even only for some part of it.

The appended Statement of Accounts shows (in the Collection Account) that the amount paid to the Hospital during the year was		£1100
and the payments in previous years were:—		
	1930	£1700
	1929	£2200
	Total	£5000

and it will be seen from the Collection account that the Society also made a special grant to the Hospital of £14 14s. 9d. towards special expenditure on the Out-Patients' Department.

It will also be seen, and this is a special feature of the way in which the Society is carried on, and one which deserves the utmost prominence, that no payments other than to the Hospital are made out of the House to House Collections.

The expenses of the Society appear in the Working Expenses Account. They amounted to only £79 3s. 5½d. as against £91 1s. 3d. in the previous year, but the Committee also made the customary donation of £10 10s. to the Nurses of the Poor, and as the receipts in the year were only £31 10s., which compares with £57 6s. 8d. in 1930, the General Fund balance at the end of the year was considerably less than the amount in hand when the year began.

Special attention is called to the fact that, as is shown by the Working Expenses Account, no payments were made either to officials or to collectors, all of whom gave their services entirely free, in accordance with the rules of the Society.

The Samaritan Fund balance was slightly increased and whilst the Committee are glad that the demands upon it were so small, they hope that any member who is at any time in circumstances which deserve assistance from this Fund will not hesitate to seek to obtain it.

The Committee have taken a vigilant interest in the way in which the Hospital has been managed and carried on, and have frequently raised with the General Committee of the Hospital matters of importance, including complaints concerning treatment, and they are glad to be able to say that during the year under review, complaints relating to In-Patients rarely came before them and that the conditions for Out-Patients have been greatly improved and complaints concerning that Department have become less.

Very little advantage was taken of the arrangement existing between the Society and the General Committee for free treatment of contributors to the collections who are in circumstances which justify recommendation for treatment without any payment and although the Society must continue to make the collections on the understanding that they are voluntary contributions, the Committee wish to draw particular attention to this benefit which can be obtained for regular contributors to the collections.

The Committee think that before turning to the social side of the activities of the Society, they should put on record an expression of regret at the loss of the services of Mrs. Henley, who, through ill health, has been compelled to give up the duties, which she had satisfactorily carried out from the time the collections began, of Organiser of the collections in Wall End Ward, and at the enforced resignation of Mr. William Bucklow who played a prominent part in the foundation of the Society and continued to be very actively and enthusiastically engaged in the conduct of it until his removal from the district. The Committee feel that the best thanks of all concerned for the welfare of the Hospital are due to Mrs. Henley and to Mr. Bucklow for their valuable work.

The social events of the Society were the usual series of socials in various wards of the Borough, the Annual outing—on this occasion to Danbury—and the Annual Dinner at The Three Nuns Hotel, Aldgate, all arranged for the entertainment of members and their friends, and the Garden Party held annually at Durban House, the customary dance at the Town Hall and a Garden Party held in the grounds of the Hospital. The socials, the outing, and the Dinner were all very enjoyable and the Dance and both the Garden Parties were successful and profitable, although the restrictions the General Committee of the Hospital thought it necessary to impose in connection with the Garden Party in the Hospital grounds, limited the number of people present. The Executive Committee hope that the Society will be permitted again to use the Hospital grounds for a Garden Party and that it can be arranged under conditions

which will afford a much larger number of people an opportunity of a closer acquaintance with the Hospital.

Other social events were an outing to Thorpe Bay arranged for members of Committees of the Society, an American Tea arranged by and at the house of Mrs. Owen, and a Dance at St. Mary's Hall run by Mrs. Rule and Mrs. Sims, and the Committee offer thanks to those three ladies for their special efforts to help the Society. The Committee have also to offer thanks to Councillor A. H. W. Owen for his services as M.C. at the Town Hall Dance and at socials, to Miss Maude Wells and Mr. M. Wiseman for providing entertainments at the Garden Party in the Hospital grounds, and to all who assisted with the arrangements for social events. In particular they acknowledge with thanks the indebtedness of the Society to those lady members who as in former years acted as a Catering Committee and undertook the catering at many of the social events.

The Committee also acknowledge with thanks to Mrs. Sims and Mrs. Rule, the assistance to the Samaritan Fund derived from the Jumble Sale organised by them and also acknowledge with thanks the other contributions to that Fund.

Thanks are also due to the Chairman of the Hospital, Mr. N. A. Papworth, J.P., to the General Committee of the Hospital for the use of the Board Room for Meetings and to the Hospital Secretary, Mr. Reginald Perry, for assistance readily given by him whenever occasion arose.

The Committee must also express appreciation of the work of the Ward Organisers and Supervisors, the members of the Standing Committees and the officers of the Society, and in this respect must make special mention of the services rendered by Mr. A. L. Waller, the Hon. Secretary, who again carried out the numerous duties of that office in a highly creditable way.

In concluding, the Executive Committee must add that they realise that thanks are due most of all to those who have acted as collectors and to those who have contributed to the collections, and to them they offer grateful thanks for help which is so valuable that the success, and indeed the existence of the Society depends upon it. They earnestly solicit a continuance of that help and such further support as will result in the Hospital deriving the fullest possible benefit from the collecting scheme and work of the Society.

Hon. Auditor: Alec Hopkins, Esq., Chester Road, E.7.

This is the end of the fifth year of the existence of the Ladies' Aid Committee. When we first formed this Committee it was with the sole object of helping the Hospital which was built for the suffering.

That we have adhered to our purpose is shown by the result of our various efforts, and we have raised a sum of £4,500 during the period.

Our activities this year have been mainly devoted to the Bazaar which was held in October, and we had hoped to have raised £1,000 for the purchase of Radium, which the Medical Committee had suggested in the early part of the year was badly needed. Owing to the close proximity of the General Election to the date we had fixed, and to the general trade depression, our effort only realised about £800. Under the circumstances this was considered a very good result, and with profit from the Dances, etc., the total will reach over £900.

Our thanks are due to our various friends who so very kindly supported us with donations and goods for the stalls, and who assisted during the three days.

We were honoured on the first day by the presence of the Lord Mayor of London and the Lady Mayoress, accompanied by the Sheriffs and their Ladies, and supported by Lord and Lady Bethell, and the Mayor and Mayoress.

The frequent visits of the President and of the Chairman of the Hospital, have been very much appreciated and very helpful and encouraging. Our Meetings have been well attended and enjoyed.

This year, as usual, we held our Dance in the Spring, and also our New Year's Eve Ball, both of these events proving a huge social success.

In the summer, Lord and Lady Bethell very kindly invited us to Bushey House, and we spent a glorious afternoon in the grounds, and were entertained to tea.

On the 5th July we went by motor coach to Eastbourne, accompanied by our husbands and a few friends. We had lunch at the Queen's Hotel and then spent a pleasant afternoon, afterwards driving to Wannock to tea, and enjoying a happy hour in the Old Mill Gardens.

I have been very proud of my position as Chairman, but I cannot take unto myself any undue credit, for each one of us cannot do without the other. We each have worked separately and have worked collectively and at all times harmoniously, for without unity we could have done but very little, but our thanks are specially due to our Secretary, Mrs. L. B. Odling, J.P., for her untiring efforts on our behalf, for the work this year has been unduly heavy, and to our Treasurer, Mrs. Frank Smith, we tender our grateful thanks, and I am sure on realising the support of our friends and the public we must all feel a thrill of pride when reviewing our work of the year.

ELEVENTH ANNUAL REPORT.

For ten years now this Annual Report has been prepared for the interest and information of the Members and friends of

the Linen League, and for the eleventh time it is presented, but in a slightly modified form, in the hope that it may thus revive memory and re-kindle faith.

The Minute Book dating back to 1921 is ancient history, but it makes extraordinary interesting reading, and one reflects with admiration upon the valiant little band setting out bravely with Miss Spicer at its head "To supply the Hospital with garments and linen" (before many years had elapsed it was found essential to add blankets to these supplies).

In those days the Memorial Hospital was little more than an ideal, but the small Cottage Hospital, with its Matron of still beloved memory was serving the Borough admirably, in spite of great financial difficulty which curtailed efficiency and increased labour for the Matron and her loyal staff.

In the Linen League's infancy and childhood Miss Ousman was its best friend—with her wise counsel and warm encouragement, and it was perhaps largely for her sake, that, while never losing sight of its ultimate aim, the League devoted some of its earliest work towards "helping to lift" where the burdens already existed.

But years passed, and the walls of the Memorial Hospital went up, and the League called to its Members "to be ready" and soon sheets, and everything similar, were being stored in all conceivable places in the little Hospital. And then, some years later, there was a grand pilgrimage of the Linen League one morning, heavily laden pilgrims trudging from the old Hospital to the new, till a wonderful collection of goods was packed in the store cupboards of the big building.

Later on, when the Memorial Hospital held one of its "View Days," the Committee permitted the use of several rooms for a Linen League "Show Day"—greatly to the delight of all concerned.

And, at long last, the Memorial Hospital being opened and its work beginning, the League realised that part of its dream had come true and that all the blankets, sheets, counterpanes, pillow-cases, towels, etc., etc., bore the magic words, "The gift of the Linen League."

And so the little Linen League grows up!—the ten years having brought many changes, of leaders, of committees, of membership; but none the less, a steady growth and development.

1931 has robbed us of a number of friends, some having gone the long journey that has no return. These are still dear

to us, and we always miss them—remembering most gratefully all they did for our League.

And so we thus think of Mrs. Prince, our first President to follow Miss Spicer.

Mrs. Sutton, the wife of the Vice-Chairman of the Hospital.

Mrs. Scharde, whose sweet spirit often seems with us still.

Mrs. Sharpe, a very active member of the Committee.

And Mrs. G. Williams, who has so recently left her chair on Committee, that, in her very gentleness she will still seem present.

Some members are now overseas, but still remain members, wearing their Badge, sending home their Annual Subscription and eagerly receiving news of the League.

To Lord and Lady Bethell we owe thanks for two of our most enjoyable days during the year—on one afternoon in June, when our Committee and the Committee of the Manor Park Branch were, amongst other guests, honoured with invitations to Bushey. We shall not forget this visit to what a member described as “one of the stately homes of England.” And the second pleasant afternoon was later in the year, when Lord and Lady Bethell gave a Garden Party in the Hospital Grounds to some hundreds of “Welfare Workers”—Linen League members gathering among them in large numbers.

This year sees the going out of office of the whole of the Committee with its Officers.

After three years' service together, some have gained a higher reward than earth's; while others are retiring for a permanent, or a temporary rest. We think with gratitude of all these, for their faithful service during the years, and as they hand on the responsibility to the new Committee and these accept the charge there is only one watchword “Our Linen League.”

The Annual Summer Excursion was this year by way of being a delightful novelty. A large number of members went in June last to Felixstowe, by coach. There, after a most enjoyable drive, they roamed at their own sweet will till tea-time, when the President met them. She gave pleasure by inviting them once again to break their homeward journey at Winsford Hill for light refreshments.

The usual Annual Public Meeting was waived this year, and an evening party was held instead. As a social function this was voted a complete success. There was a Board Meeting at the Hospital the same evening, some of the members coming over to the party, and with Mrs. Cahill, making short speeches. We

were glad to again have the encouragement of the Chairman and Treasurer of the Hospital.

Elsewhere in these pages are tabulated statements—financial and in kind—proving beyond any doubt that the Linen League members have been “pulling their weight” during the year. And we may congratulate each other without any of what is called “oily optimism,” or the need of rubbing in “peppery pessimism.”

We want to make special mention of Mrs. Poulten’s invaluable aid. Reference to the financial statement and Associates’ lists will show that over £50 have come into our funds through her tireless energy and continual thought and planning. And we may say to her “Truly other daughters have done virtuously, but thou excellest them all!”

Also, through it all, we are very conscious that the Hospital has many friends who help us for its sake. Amongst these there is a little group whose names are very familiar by now, even as the service they render is also familiar—Mr. W. Cahill, Mr. I. C. Sutton and Mr. D. C. Manson. To these three especially we once again offer our warmest thanks.

As submitted to the Committee.

We have pleasure in presenting our Fourth Annual Report.

Although only a small Band, progress has been made, several New Members having joined us, and Meetings in the Carnegie Library on Tuesday afternoons eagerly looked forward to.

Our social events have been mostly very successful and many thanks are due to the kindness and support of Members, Local Tradesmen, Mrs. Cahill and Miss Jessie Wilson, and to the energy of our Whist Drive M.C., Mr. A. Watson.

Members and friends had a most enjoyable Outing in June, Folkestone being the selected place. Weather was ideal, Coaches luxurious, and Luncheon partaken at Queen's Hotel, where a genial manager did everything for our comfort.

Also, by the courtesy of Lord and Lady Bethell, the Committee were invited to Bushey, where a delightful afternoon was spent. Many members turned up to the Hospital Garden Party, which, although marred by rain, was not lacking in warmth of welcome.

Our last effort before the year closed was to provide 36 pairs of sheets to our Hospital as a Xmas Gift—only a small gift—and we do hope whoever reads this in Manor Park district will make up their minds to join us and help support the Hospital whose work is an everlasting tribute.

Ladies and Gentlemen,

In submitting our Report to December, 1931, we do so with pleasure.

This Association was founded in May, 1930, and consequently no "Annual" Report has been possible hitherto, and the following is the result of our endeavours to try in some way to repay the many kindnesses shown us by the staff, and those associated with our Hospital in our time of need.

We feel that we have not been as successful as we would like, especially from a financial point of view, but we do trust that in the years to come we shall do well in all respects. We can but try.

We sincerely thank all friends who have assisted us in our work and trust that we shall retain their co-operation for many years to come.

Since our inception we have paid to the Hospital £62 10s., and to the Matron's Xmas Comforts Fund, £14 10s. 6d., being a total of £77 0s. 6d.

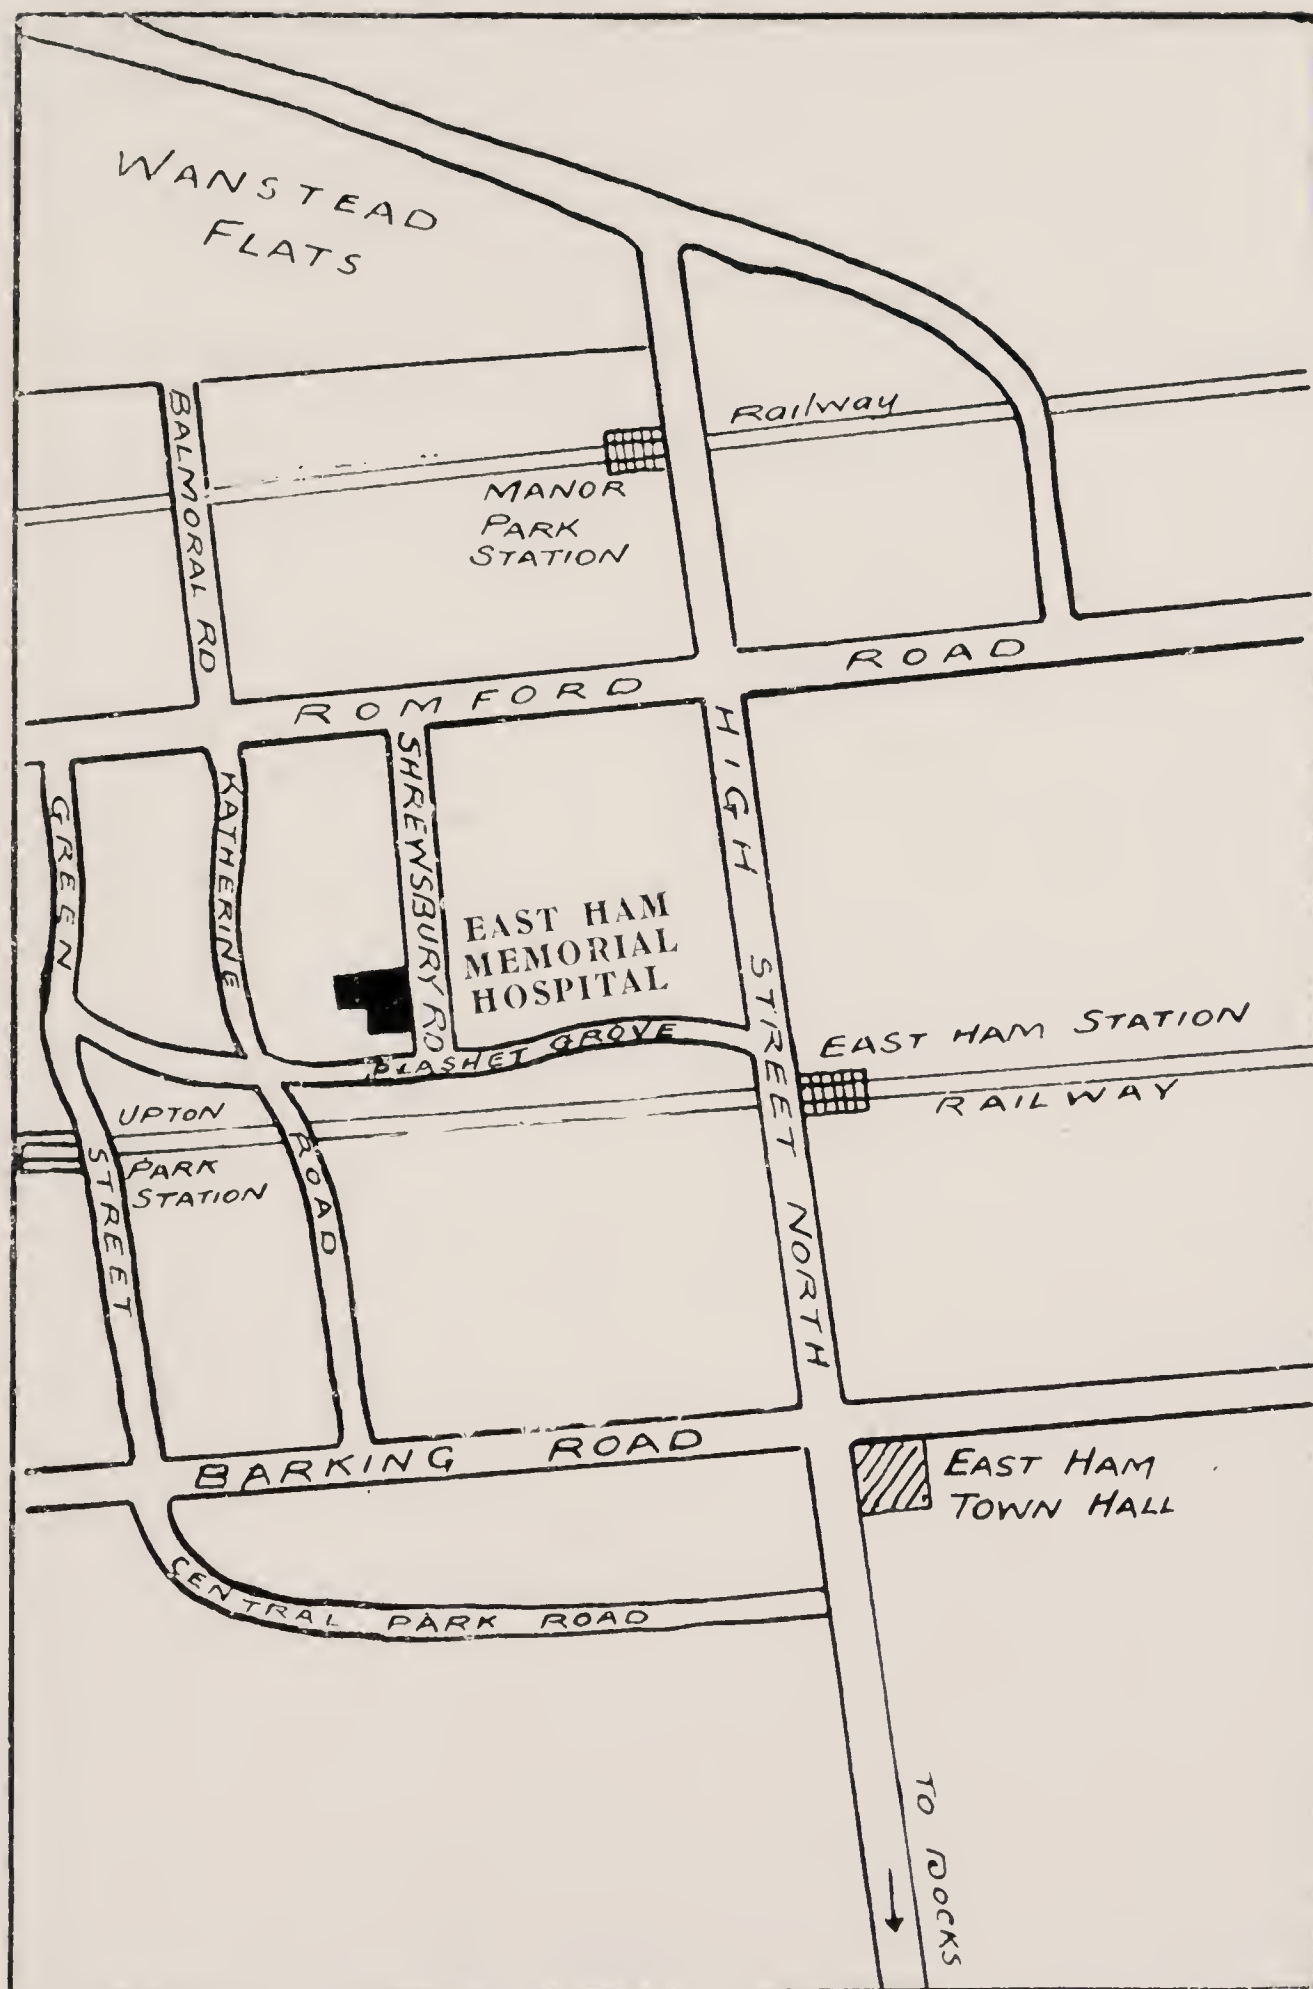

Owing to the lack of funds, we were with much regret compelled to discontinue the supply of evening papers to the wards, after supplying 5,264 at the rate of 16 every evening (4 to each ward) at a cost of £19 3s.

Yours faithfully,
